ADD the following to prices above				

All Smoked species are also available in Natural Tone with an oil finish. Pricing is the same as UV-Cured finish but oil finish products do not carry the wear through warranty.

Certified flooring also available. Please call for quote and lead time.

Prefinished moldings, treads and risers are available for the Smoked collection on a special order basis. Please call us for a current quote.

Please add 5% waste when figuring square footage. Sold in full carton quantities.
